

Our Approved Umbrella Companies

We've carefully selected and approved these companies after conducting thorough due diligence. Each one is also accredited by trusted independent regulatory bodies, ensuring the highest standards. The feedback we've received on their service? Consistently excellent across the board.

Already signed up to an umbrella/prefer to choose your own?

Please assure they are accredited by checking the two links below. We at Hunter Gatherer AHP and MH only use accredited umbrellas because of the stringent due diligence checks and audit procedures they must go through, that gives further assurances of a safe and reliable service to locums. Please always do your own due diligence and make sure you are happy with the Umbrella provider. Using Umbrellas not accredited with FCSA or Professional Passport leaves you at risk of being caught in a Tax Avoidance scheme – [click here for further information.](#)
